

GUIDELINE

ENTRY TO EASTER ISLAND (Rapa Nui)

BEFORE TRAVELLING

1 Have your vaccination certificate at hand

You can enter with the Vaccination Certificate issued by your country (either printed or in digital version) in addition to your Identity Document.

2 Rapa Nui Entry Form (FUI)

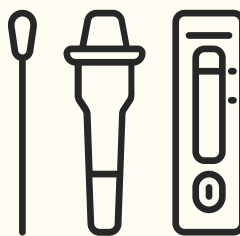

Fill-in the "Rapa Nui Entry" (FUI) form before departure. This form is available at <https://ingresorapanui.interior.gob.cl/>

AFTER ARRIVAL

3 Antigen test randomly

Your documentation will be reviewed by Seremi Health Authority and antigen tests are carried out randomly.

If the result of the test is positive, isolation for 5 days at a location authorized by the Health Authority is compulsory.

4 5-day health follow-up

All travelers may be tested for Covid between the first and fifth day of arrival to the island. Important: if a visitor refuses a test or tests positive, isolation for 5 days at a location authorized by the Health Authority is compulsory.

If a traveler is classified as close contact, isolation for 5 days from the last contact with the confirmed case is compulsory.

The use of face masks is only compulsory in public health services.

Travelling with Smartphone recommended

Many services in Chile are operated digitally with the use of QR codes and email, such as menus in restaurants, tickets to national parks, airline boarding passes, ...
