WHO WE ARE

As an incoming tour operator, we have been offering tailor-made programmes for group tours and individual travellers throughout Chile since our foundation in 1994.

WHY EXPERIENCE CHILE WITH TRAVELART?

Our in-depth knowledge and passion for Chile's unique geography, from majestic glaciers to the driest desert in the world, as well as its cultural diversity, guarantee you authentic and unforgettable travel experiences at the end of the world.

Our offer ranges from special interest tours, adventure tourism to self-drive programmes.

We offer service in German and English through our enthusiastic and experienced international team.

TRAVEL TO THE STARS ...

Chile has more than 300 clear days a year, and the low to no light pollution in the north of the country offers ideal conditions for stargazing.
